How your Personal Information is used and shared by insurers and databases in relation to motor insurance

The Personal Information you provide will be used by us and shared with other insurers as well as certain statutory and other authorised bodies for:

- Insurance underwriting purposes. To examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:
 - Consider whether to accept the relevant risk;
 - Make decisions about the provision and administration of insurance and related services for you (and members of your household);
 - Validate your (or any person or property likely to be involved in the policy or claim) claims history (at any time including upon application for insurance, in the event of an accident or a claim, or at a time of a mid-term adjustment or renewal).
- Management Information purposes. To analyse insurance and other markets for the purposes of:
 - Portfolio assessment;
 - Risk assessment;
 - Performance reporting;
 - Management reporting.
- Anti-fraud purposes. To detect and prevent fraudulent claims and/or activities by:
 - Sharing information about you with other organisations and public bodies including the police;
 - Tracing debtors or beneficiaries, recovering debt, managing your accounts and/or insurance policies;
 - Undertaking fraud searches. Insurers pass information to fraud prevention agencies and databases including the Claims and Underwriting Exchange Register and where appropriate the Motor Insurance Anti-Fraud and Theft Register by the Motor Insurance Bureau (MIB). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.
- Compliance with legal obligations and responsibilities, including:
 - Claims management – In the event of a claim we may need to disclose information with any other party involved in that claim, e.g. third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. We also may have to investigate your claims and conviction history;
 - Complaints management – If you make a complaint about the service we have provided, we may be obliged to forward details about your complaints, including your Personal Information, to the relevant ombudsman;

- Information about your insurance policy will be added to the Motor Insurance Database (MID) managed by the MIB. MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the Driver and Vehicle Licensing Agency (DVLA), the Driver and Vehicle Agency Northern Ireland (DVA), the Insurance Fraud Bureau and other bodies permitted by law. This information may be used for purposes permitted by law, which include:
 - Electronic Licensing;
 - Continuous insurance enforcement;
 - Law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
 - The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the European Economic Area or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Individuals who may be citizens of other countries or their appointed representatives making a claim in respect of a road traffic accident may also obtain relevant information which is held on the MID. It is vital that the MID holds your current registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police and/or a fixed penalty notice.

You can check that your current registration number details are shown on the MID at www.askmid.com

How your Personal Information will be processed

- Information which is supplied to fraud prevention agencies and databases, e.g. the MIB and MID can include details like your name, address and date of birth.
- Your data may be supplied to databases in order to facilitate automatic no claim discount validation checks.
- Your data may be transferred to any country, including countries outside of the European Economic Area, for any of the purposes mentioned above.
- Under your policy you must tell us about any incident (e.g. an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the fraud prevention agencies and databases, e.g. the MIB.

How we use your Driving Licence Number

Insurance underwriting purposes i.e. to examine the potential risk in relation to your (and/or a third party's) prospective policy so that we can:

- Provide your (or any person included on the proposal) Driving Licence Number (DLN) to the DVLA to confirm your (or the relevant person included on the proposal) licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out prior to the date of the insurance policy and at any point throughout the duration of your insurance policy including at the mid-term adjustment and renewal stage. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence;

- Searches may be carried out at point of quote and, if an insurance policy is accepted, at the mid-term adjustment and renewal stage.

Please note that if you give us false or inaccurate information it may invalidate your insurance policy/prospective insurance policy or it could affect the amount we pay to settle any claims you make under the policy.

For details relating to information held about you by the DVLA please visit www.dvla.gov.uk

Fraud prevention and detection

In order to prevent and detect fraud we may at any time:

- Undertake searches against your (or any person included on the proposal) DLN against details held by the DVLA to confirm your licence status, entitlement and restriction information and endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure. A search of the DLN with the DVLA should not show a footprint against your (or another relevant person included on the proposal) driving licence;
- Share information about you with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file your details with fraud prevention agencies and databases, and if you give us false or inaccurate information and we suspect fraud, we will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for you and members of your household;
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage your accounts or insurance policies;
- Check your identity to prevent money laundering, unless you provide us with other satisfactory proof of identity;
- Check details of job applicants and employees.

Claims history

- Under the conditions of your policy you must tell us about any insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.
- We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

We can supply on request further details of the agencies and databases we access or contribute to and how this information may be used. If you require further details, please contact us.

You should show the notices to anyone insured to drive the vehicle(s) covered under this policy.

Your cancellation rights

You have a statutory right to cancel this policy within 14 days from the day of purchase or renewal of the contract, or the day on which you receive the policy or renewal email confirmation, whichever is the later.

If the insurance cover hasn't started yet, you will be entitled to a full refund of the premium paid.

Or, if you wish to cancel the policy within the first 14 days and the insurance cover has already started, you will be entitled to a refund of the premium paid, less a proportionate deduction for the time for which we have provided cover. There will also be an additional charge as shown in the schedule of £25.00 (plus Insurance Premium Tax, where applicable) if you cancel the policy within the first 14 days to cover the administrative cost of providing the policy.

The cancellation fee may be reduced to ensure the total amount paid in the period does not exceed the annual premium.

If a claim has been made in the period of insurance, and we have not been able to confirm recovery of the full amount of the claim from a responsible third party, you will not receive a refund of premium and all premiums will be due.

You can cancel the policy online via your MyAccount. It is your responsibility to notify all persons insured that this policy has been cancelled.

If you do not exercise the right to cancel the policy, it will continue in force and you will have to pay the premium.

For your cancellation rights outside the statutory cooling-off period, please refer to the 'General conditions' section in your policy booklet. If you are a telematics policyholder you should refer to the "Telematics Terms and Conditions" document which you have received for additional cancellation terms.

Renewing your insurance

We will contact you by email at least 21 days before your renewal date and will either:

1. give you an opportunity to renew your insurance for a further year and tell you:
 - about any changes we are making to the terms and conditions of your policy;
 - to review your circumstances and consider whether this insurance continues to meet your needs;
 - to check that the information you have provided us with is still correct, and tell us if anything has changed; and
 - the price for the next year.

If you wish to make any changes at renewal, please log in to your My account and edit your policy there.

Or

2. let you know that we are unable to renew your insurance. Reasons why this may happen include but are not limited to the following:
 - when the product is no longer available; or
 - when we are no longer prepared to offer you insurance for reasons such as:
 - we reasonably suspect fraud;

- your claims history;
- we have changed our acceptance criteria;
- you are no longer eligible for cover; and/or
- where you have not taken reasonable care to provide complete and accurate answers to the questions we ask. See the ‘Important Notice – Information and changes we need to know about’ section within the policy document.

A cooling off period (14 days from renewal of the contract or the day on which you receive your renewal documentation, whichever is the later) applies at the renewal of your insurance. Please read ‘Your cancellation rights’ in your policy booklet which explains how this works.
